1. Why geyser = Nov week 1 most sold (BD)

Daraz 11.11 (1 Nov 8PM - 11 Nov, biggest sale of year, 3M+ products, 10x growth vs normal days). Week 1 spikes: daily essentials (detergent, body wash, salt, milk powder) + winter urgency (geysers, washing machines, Nivea cream, sneakers, hoodies). Source: Bangladesh Post Daraz cart view (detergent, body wash, phone covers, caps/socks top), BusinessDaily (Haier washing machines + geysers, Adidas sneakers, Nivea cream top), TBS/Daily Star 11.11 live 10 Nov 8PM - 21 Nov.

Record surge: https://www.thebusinessdaily.net/english/corporate/news/884 (Haier geysers, Nivea cream top)

PICK: 30L Electric Geyser - Haier vs Walton. Same product, same price band (~11,520 BDT -10% Haier 30L), same fear (electric shock + bill). Perfect winning vs losing for BD founders + recruiters.

WINNER - Brand 1: Haier Bangladesh. Product: Tigris Shockproof / Zenglow 30L Electric (11,520 taka -10%). Angle: 'Winter brings chill. Haier brings warmth. Shockproof.'

Haier win 1: https://www.facebook.com/HaierBangladesh/posts/1617667590388754/ (winter chill -> warmth shockproof)

Haier win 2: https://www.facebook.com/HaierBangladesh/posts/1615570897265090/ (Tigris most advanced)

Haier win 3: https://www.facebook.com/HaierBangladesh/posts/1614449754043871/ (Zenglow 30L online exclusive)

Haier proof: https://www.facebook.com/HaierBangladesh/posts/1614073090748204/ (survive shock + look good)

LOSER PATTERN - Brand 2: Walton. Product: Geyser 30L/40L/50L Crystal/Smart (call 16267). Angle: 'Warm up instantly / Turn Cold Mornings into Warm Comfort.' Strong local trust, but creative = product render + factory, weak human safety proof.

Walton lose 1: `https://www.facebook.com/Waltonbd/posts/880502317863918/ (warm up instantly)`

Walton lose 2: `https://www.facebook.com/waltonhomeappliance/posts/1665483258957137/ (cold mornings -> warm comfort)`

Walton factory: `https://www.facebook.com/Waltonbd/posts/871960465384770/ (how warmth is crafted - factory)`

Note: Observable creative comparison only. No private CTR/ROAS claimed. Longevity + structure = proxy.

3. Visual scores (render as bars)

AI Studio: green vs red bars. Founders see safety gap instantly.

4. Full breakdown copy

TL;DR: Same 30L hot water. Haier sells safe 6am shower for mother + baby. Walton sells steel tank. In BD week 1, fear > features.

WINNER HOOK: Cold bathroom tile + shivering hand -> instant steam. Text shockproof. WHY IT WINS: names 6am pain Dhaka/Rangpur winter, shows safety first (electric + water = death fear), premium look justifies 11k.

WINNER CREATIVE: 3 beats - 1) chill (cold blue), 2) shock test (splash + badge), 3) family (mother + kid warm). Capacity + price overlay. Inference: kills 'current-e shock lagbe?' objection that blocks 11k COD/EMI.

WINNER OFFER: 30L 11,520 -10%, online exclusive, call + haier.com/bd/water-heaters. Psychology: safety + warranty + hotline = risk reversal for high-ticket. Funnel: Meta -> PDP with specs + EMI + installer booking.

LOSER HOOK: White unit render + 'Warm up instantly'. WHY IT LOSES: no morning, no human, looks like catalog. Hypothesis thumb-stop <18%. Instant = vague (how many mins? bill?).

LOSER COPY: 30/40/50L choice without guide (which for family of 4?), 16267 + buy online, porcelain tank + durability. WHY IT LOSES: choice overload, no safety demo, factory tour irrelevant to cold fear. Trust from Made in BD wasted without human proof.

BD WEEK 1 ANGLE: 11.11 + first cold snap = urgency real. Winner ties to 11.11 delivery before deep winter + installer slot. Loser says 14% OFF selected plaza (conditional, low trust).

5. Table

Element	Haier WIN	Walton pattern
Element	Haier (WIN)	Walton (pattern)

First 3s	Cold + steam + shockproof	Render + instantly
Trigger	6am shower fear	Warm comfort slogan
Claims	1: safe warmth	3: quick + reliable + durable
Proof	Splash + badge + family	Icons, no demo
Specificity	30L 11,520 -10%, Tigris	30/40/50L, no guide
Offer	Online exclusive + hotline	14% selected plaza
CTA	Shop -> PDP + installer	Call 16267 -> generic
Fear	Shock + bill addressed	Shock ignored
Lifespan	Iterated series launch	One-off catalog

6. 48h fix for Walton

- Keep same 30L. Reshoot 15s phone: 6am, father turns on, kid touches water safely, meter shows bill. First text: 'Gosol-e shock lagbe na?'
- Kill factory. Show 1 proof: pour bucket on live unit + shockproof meter zero. 6s demo beats 6 icons.
- Swap copy: '30L - 4 jon family, 20 min garam, shockproof + auto-off. 16267 + free install Dhaka.' + size guide image (2 jon=30L, 5 jon=50L).
- Add trust: 'Walton plaza-e giye dekhe nin + 5yr warranty card photo' + real installer uncle face. Local edge = service, use it.
- Test 3 hooks: (a) Sokal 6tay thanda pani? (b) Geyser-e current? Proof dekho (c) 11.11-te install free. Winner tells fear language.

Hypothesis: same budget, safety demo + size guide lifts CTR 0.7% -> 1.5% + installer bookings + fewer returns.

7. LinkedIn draft - DO NOT POST, wait approval

POST: Nov week 1 bestseller is not hoodie. Its geyser. Same 30L, 2 ads. Haier sells safe 6am shower (shockproof + 11,520 BDT). Walton sells steel (instant + catalog). I broke flaws + pros + 48h fix + screenshot map in blog: [PASTE YOUR NEW ab-7 LINK AFTER YOU PUBLISH]. Day 3 daily Winning vs Losing. Follow for BD DTC. Hashtags: #Bangladesh #11sale #DTC #MetaAds #MediaBuying #Walton #Haier

VISUALS: Slide 1 hook split (steam hand vs white render). Slide 2 score bars Sec 3. Slide 3 funnel PDP vs call. Slide 4 CTA.

FIRST COMMENT: Full blog: [YOUR ab-7 LINK] - table + fix. BD founders: what stops geyser COD - shock fear or bill? Recruiters: I teardown daily, open for roles.

9. Client CTA

I audit BD 11.11 creatives for installer bookings + COD returns, not just CTR. If geyser ad dies in 7 days, I tell why in one teardown. Email: AhamedAfif87@gmail.com | Contact: https://frage3r.github.io/AfifAhamedLam/#contact | Next: Nivea vs Vaseline lotion? Tell niche.
